

January 31, 2018

Dear Colleague,

I am writing to ask for your assistance in identifying students at your university and encouraging them to apply for the Summer program in Data Science and Analytics in the Mathematics and Computer Science Departments at NC A&T State University. Please post and distribute copies of this letter and the attached flyer to faculty and undergraduate research centers at your university. Encourage your colleagues to identify candidates for the program.

The REU Summer Program in Data Science and Analytics is part of the growing data science program at NC A&T State University. Students will participate in well-structured undergraduate research projects, training workshops, seminars and colloquia featuring guest speakers, and will present their results at conferences. Students will acquire several skills including hands-on experiences to help them become great researchers in the future.

- Program Dates: May 20 - July 27, 2018
- Application Review: Beginning April 2, 2018
- Eligibility: Undergraduate students majoring in any field of science, mathematics, engineering, computer science or business who are USA citizens or Permanent Residents, and have a minimum 3.0 GPA
- Award: The program offers participants a research stipend of \$4,000, room and board for ten weeks, and travel support to and from NC
- Application: Send the application materials to **Ms. Candy Johnson**, ACE DSA Program Coordinator, 217 Marteena Hall, North Carolina A&T State University, Greensboro, NC 27411.

Email **Dr. Kossi Edoh** [kededoh@ncat.edu](mailto:kededoh@ncat.edu) for more information.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Edoh'.

Dr. Kossi Edoh  
Associate Professor of Mathematics
