

Become a CH, MA, or PY Tutor for the University Tutorial Center

TOP 5 REASONS TO TUTOR

- Solidify subject knowledge for future courses and GRE preparation
- Develop communication skills
- Develop leadership skills
- Earn money
- Help other students!

The first step in the application process is to attend a 30-minute information session. Session times and locations are posted at go.ncsu.edu/tutor

- **Minimum requirements** for applicants include an overall GPA of at least 3.25 and a B+ or better in the courses you wish to tutor. Applicants should be model students with a desire to help others learn.
- Tutors typically tutor 4-6 hours per week. All time spent tutoring is paid.
- All new tutors enroll in a one credit hour training class, USC 210.
