

MA 103-651 SUMMER 2020

Welcome to MA 103-651.

Your text book is a pdf file on your webassign log in page in the link “Resources”.

You will have graded homework in the webassign (available the first day of class). You may access webassign by using the link <http://webassign.ncsu.edu>

You may use webassign for free until May 27, after then you must purchase it for \$22.95.

You will have 4 take home tests during the semester plus a take home final exam. The schedule is below.

TEST 1 May 28 Chapters 1 and 2 Lectures 1-6

TEST 2 June 15 Chapters 3 and 4 Lectures 7-11

TEST 3 July 6 Chapters 5 and 6 Lectures 12-17

TEST 4 July 21 Chapters 7 and 8 Lectures 18-22

FINAL EXAM (comprehensive) July 27 Lectures 1-24

The lectures mentioned above may be found in the videos at <https://mediasite.online.ncsu.edu/online/Catalog/catalogs/ma-103-002-lada> and the chapters refer to your text book.

To stay on schedule, you should view approximately 3 videos each week. Check your NCSU email often for additional information and announcements. We will eventually have a moodle page for this course.

You may contact me at lada@math.ncsu.edu
