

MA 231 - Calculus for Life and Management Sciences B

1 Course Information

MA 231 - Section 001, Summer I 2022 (3 credit hours)

- Instructor: Kylan Schatz (they/them)
- Email: kaschatz@ncsu.edu
- Meeting Time: MTWHF 9:50 - 11:20AM in Poe 312
- Office Hours: MWF 12-1 (or by appointment) on Zoom

The easiest way to contact me is to come to class, visit office hours, or to email me during business hours. If you email me after business hours or over the weekend, I may not respond until the next business day.

2 Course Description

Functions of several variables - partial derivatives, optimization, least squares, Lagrange multiplier method; differential equations - population growth, finance and investment models, systems, numerical methods.

3 Learning Outcomes

Gain insight to useful topics in calculus including multivariable functions, their graphs, and optimization; differential equations and their solutions. Use calculus as a tool for solving problems in life and management sciences. Develop mathematical thinking and problem solving skills. Show integrity in the classroom and affiliated spaces, including Moodle forums. Practice time management skills and professional communication.

4 Course Structure

Course lectures are synchronous, in-person every weekday in Poe 312. Lectures are to be recorded and posted to Panopto, accessible through WolfWare. It is **strongly encouraged** that students attend every in-person lecture to better facilitate learning and provide space to ask questions.

Homework will be completed on WebAssign. Exams will be proctored during class period. Office hours are hosted on Zoom during scheduled times or by appointment.

5 Grading

Students' grades consist of three components: homework, exams, and the final exam. There will be no extra credit. If necessary, there may be a curve on final course grades.

Item	Weight
Homework	40
Exams	40 (2×20)
Final	20

Homework is graded for accuracy (by WebAssign); students' grades will be entered as shown on WebAssign. Exams will be a mix of (possibly) definitions, multiple choice, true/false, short answer, and word problems. **You must justify your answers and show full working out on exams for full credit.** The final exam will be cumulative, the same format, and approximately 1.5x the length of a semester exam.

This course uses the standard NCSU grading scale. Course grades will not be rounded. Please view Grades and Grade Point Average ([NCSU REG 02.50.03](#)) if you have any questions about grading at NCSU.

Lower bound for grade			
Letter	-		+
A	90	93	97
B	80	83	87
C	70	73	77
D	60	63	67
F	*	0	*

Students seeking credit only (S/U) must receive a C- to obtain a Satisfactory grade. Please view Credit-Only Courses ([NCSU REG 02.20.15](#)) if you have any questions about this option.

Students wishing to audit this course, coordinate with your advisor beforehand. Please view Audits ([NCSU REG 02.20.04](#)) if you have any questions about this option.

6 Course Schedule

Week	Item	Date
Week 0	First day of class	May 18
	Last day to add a course	May 19
	Census date	May 20
Week 1	...	
Week 2	Memorial day (no class)	May 30
Week 3	Drop/revision deadline	June 6
Week 4	...	
Week 5	Juneteenth (no class)	June 20
	Last day of class	June 22
	Final	June 23
Week 6	Grades due @ 5pm	June 27

7 Expenses

Students must purchase access to WebAssign to complete the course homework. The cost of WebAssign access is TBD. Students must also purchase the course textbook, *Calculus and Its Applications*, ISBN 9780134507132 which is \$29.99 for All-In access. A link to purchase All-In access is listed on the course Moodle. Talk to me if either of these options are cost prohibitive.

8 Attendance / Late Assignments

Course lecture is synchronous and will be recorded, and thus in-person attendance is not required. I plan to use attendance passwords to count your attendance, so if you watch from home you are still marked present. Attendance is not part of the course grade. **Please talk to me if you plan to be absent for a long period of time**, due to illness etc.

Extensions to semester exams will be granted only in extreme circumstances, with proper documentation. For regulations associated with attendance and absence verification, please refer to Attendance Regulations ([NCSU REG 02.20.03](#)) or [Academic Absence Verification](#)

You are allowed one week-long self-extensions on WebAssign. You may only request an extension before the original deadline. Each self-extension deducts 15% unearned points. I may grant additional extensions past the number automatically granted based on outstanding student circumstances. Please refer to the following WebAssign FAQ page for more information on self extensions ([Get an Automatic Extension](#)). It is unlikely that I will grant any WebAssign extensions past the start of the associated exam period. The following details what “unearned points” means:

Grade Before Extension	Maximum Grade After Extension
20/30	$20/30 + [(30 - 20) * (1 - 0.15)]/30 = \mathbf{28.5/30}$

This information is subject to change (with more specifics) as I gain access to WebAssign.

9 Digital Course Components

This course uses Moodle, Panopto, and Zoom for its digital components. Lecture will be recorded, possibly capturing students’ voices. These videos will not be distributed to anyone other than your classmates for this semester. Please view Online Course Material Host Requirements ([NCSU REG 08.00.11](#)) if you have any concerns.

Students may be required to disclose personally identifiable information to other students in the course, via digital tools, such as email or web-postings, where relevant to the course. Examples include online discussions of class topics, and posting of student coursework. All students are expected to respect the privacy of each other by not sharing or using such information outside the course.

10 Academic Integrity Statement

The work any student submits should reflect their own understanding of the material. Students may not collaborate or use any outside resource (such as cheat sheets, Wolfram Alpha, or other students) while completing exams. Students found to be in violation of this policy may receive a 0 grade on the associated assignment.

Students are encouraged to review the NC State Code of Student Conduct ([NCSU POL 11.35.01](#)) and Pack Pledge. Violations of academic integrity will be handled in accordance with the Student Discipline Procedures ([NCSU REG 11.35.02](#)).

11 Non-Discrimination Statement

NC State provides equal opportunity and affirmative action efforts, and prohibits all forms of unlawful discrimination, harassment, and retaliation ("Prohibited Conduct") that are based upon a person's race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability, gender identity, genetic information, sexual orientation, or veteran status (individually and collectively, "Protected Status"). Additional information as to each Protected Status is included in Discrimination, Harassment and Retaliation Complaint Procedure ([NCSU REG 04.25.02](#)).

NC State's policies and regulations covering discrimination, harassment, and retaliation may be accessed at Equal Opportunity, Non-Discrimination and Affirmative Action Policy ([NCSU POL 04.25.05](#)) or <https://oied.ncsu.edu/divweb/>. Any person who feels that they have been the subject of prohibited discrimination, harassment, or retaliation should contact the Office for Equal Opportunity (OEO) at 919-515-3148.

12 Students With Disabilities

Reasonable accommodations will be made for students with verifiable disabilities. In order to take advantage of available accommodations, students must register with the Disability Resource Office at Holmes Hall, Suite 304, Campus Box 7509, 919-515-7653. For more information on NC State's policy on working with students with disabilities, please see the Academic Accommodations for Students with Disabilities Regulation ([NCSU REG 02.20.01](#)).

13 Additional Rules and Regulations

Students are responsible for reviewing the NC State University Policies, Rules, and Regulations (PRRs) which pertain to their course rights and responsibilities, including those referenced both below and above in this syllabus:

- Equal Opportunity and Non-Discrimination Policy Statement ([NCSU POL 04.25.05](#)) with additional references at <https://oied.ncsu.edu/divweb/policies/>
- Code of Student Conduct ([NCSU POL 11.35.01](#)).
