Applied Leadership Skill-Building within an Internship Experience (6 credit hours)

This six-credit course designed to complement the internship experience is a required part of the program in Prague, that is taught virtually by faculty in the United States.

Internship

Students are placed in individualized internships based on their career goals, major, personal preferences, and experience. Internship placements are unpaid, will be conducted by the student's supervisor in English, and are organized by NC State Prague. The student does not need to speak Czech. The student will work with the Internship Advisor to finalize internships.
