# APPLIED MATHEMATICS & STATISTICS, AND SCIENTIFIC COMPUTATION

## Graduate Program

*Forge your destiny in applied mathematics at the  
University of Maryland.*

Our top ranked Applied Mathematics & Statistics, and Scientific Computation graduate program opens a world of possibilities. We offer PhD and MS degrees in three concentrations: Applied Mathematics, Applied Statistics, and Scientific Computation.

With over 140 faculty members from 44 different units, you will have access to world expertise in multiple research and interdisciplinary areas that will let you tailor a graduate experience in applied mathematics like no other.

With our proximity to nationally and internationally renowned institutions, such as NASA's Goddard Space Flight Center and the National Institutes of Health, as well as multiple national defense research labs, collaboration in research projects with a real world impact is literally around the corner.

*Join us in a world of possibilities as we build the future.  
Apply by December 15, 2023 for Fall 2024 admission.*
