

South Korea: Science and Culture

Summer

This program will provide students the opportunity to earn 5-7 credit hours by taking a range of courses through Hanyang University. Over 60 courses have been approved as transfer credit, including a range of STEM courses that are difficult to find in other study abroad programs. Students will also have the opportunity to take HON 312: Outbreak Korea. HON 312 is open to all students applying to this program.
